\* Your approved credit is not a commitment to loan funds. It is based on the value of your investment account which could change daily. The amount you may be eligible to borrow may differ from your approved credit. Borrowing against securities has its risks and is not appropriate for everyone. If the value of your collateral declines, you may be required to deposit cash or additional securities, or the securities in your account may be sold to meet the margin call. A minimum account value is required if you have loan features on your account. Your interest will begin to accrue from the date of the loan and be charged to the account. Your interest rate will vary depending on the assets under care of your Edward Jones Pricing Group. For more information on how your interest rate is calculated, contact your financial advisor or please visit: [www.edwardjones.com/disclosures/marginloans](http://www.edwardjones.com/disclosures/marginloans)
