

1. In the Member Information Center (MIC), select Events in the top menu.

2. Select Add Event.

3. Complete the following information in the **General** section:
- **Event Title:** This title will display on the Events drop-down list and also on the Event page,
 - **Start/End Date/Time:** Enter the correct dates for the event. A different end date is only needed when a single event runs multiple days – like over the weekend. **NOTE: All Day Event** is selected by default, deselect this checkbox if you wish to enter exact times.
 - **Recurrence:** An event occurring multiple times on your calendar may be duplicated by setting a recurrence.

The screenshot shows the 'Events - Create' form in the Kalamazoo Chamber system. The interface includes a top navigation bar with the Kalamazoo Chamber logo, a search bar, and a user profile for Mary West. Below the navigation bar are icons for Home, Directory, Events, Resources, Reports, News, and Settings. The left sidebar shows 'Events' with sub-links for 'Events I've registered for' and 'Events I've attended/checked-in'. The main content area is titled 'Events - Create' and includes buttons for 'Save as Draft', 'Cancel', 'Submit for Approval', and 'Manage Events'. The 'General' section contains fields for 'Event Title', a checked 'All Day Event' checkbox, and date/time pickers for start and end times. The 'Details' section features a rich text editor for the event description, followed by 'Meta Description' and 'Search Description' text boxes.

7. In the **Map Service** section, select if you would like to upload a map image or if you would like to display the location of the event using Google Maps.

The screenshot shows a form with a header bar containing four "Add Image" buttons. Below this is the "Map Service" section, which is highlighted with a red border. It contains three radio buttons: "None", "Google Maps" (which is selected), and "Uploaded Image". To the right of these is a "Map Address" section with a "Street Address:" field, and "City:", "State:", and "Postal Code:" fields. A "View on Map" button is located below the address fields. Below the "Map Service" section is the "YouTube Video" section, which features a large black video player with a red play button in the center. Below the video player is a "Video Url:" field, followed by two example URLs: "Example: [http://youtu.be/9ulN1cOPWw](\"http://youtu.be/9ulN1cOPWw\")" and "Example: [http://www.youtube.com/watch?v=9ulN1cOPWw](\"http://www.youtube.com/watch?v=9ulN1cOPWw\")". At the bottom of the form are three buttons: "Save as Draft", "Cancel", and "Submit for Approval".

8. In the **YouTube Video** section, you can add the URL to a YouTube video to be displayed on the event page.

This screenshot shows the same form as the previous one, but with a red box highlighting the "YouTube Video" section. This section includes a large black video player with a red play button, a "Video Url:" field, and two example URLs: "Example: [http://youtu.be/9ulN1cOPWw](\"http://youtu.be/9ulN1cOPWw\")" and "Example: [http://www.youtube.com/watch?v=9ulN1cOPWw](\"http://www.youtube.com/watch?v=9ulN1cOPWw\")". The "Map Service" section is visible above the highlighted area, showing the "Google Maps" option selected. The "Save as Draft", "Cancel", and "Submit for Approval" buttons are at the bottom.

9. Once you've added all of the information for your event, click **Submit for Approval**. The event will be submitted to your organization and will not be displayed on an event calendar until it has been approved.
