YOUTH OF THE YEAR UPDATE

Our contact is no longer at the Boys and Girls Club. The club has decided they don't have the resources to pursue the program at this time. The high school is also going through a lot with the new principal.

Notes:

We will collaborate with Alec to schedule communications through Canva Planner and coordinate email efforts. Segment email list with email address and recent attendees/perspective segments. Ideally company names as well. Maxwell will send over to Alec for the Chamber to upload and group in Chamber Master.

Someone in FYP needs access to Chamber Master to log in and add people that didn't register/managing the people that did attend, and be able to send emails that way.
